I hereby confirm registration for this course starting on.....

I understand that

- the course fee is non-refundable and the payment is due in full prior to the start of the course.
- if the fees are paid by instalments, the full payment should be received no later than 4 weeks prior to training.
- In case of no show there will be no re-imbusement.
- the diploma will be issued upon successful completion of the 10 case studies.
- if the case studies do not meet the required standards, which is determined by Helena Benson, an additional training will be required at the cost of £500 per day.
- the course involves intensive practical training on real models and most of the theory should be studied at home prior to the start of the course.

A non-refundable deposit of £800 is required then the full amount is required 4 weeks before the course starts. If the student's case studies are not done to the required standard, he/she would need to attend an additional training at our school before receiving a certificate of training. Cost £500 per day.
